Pumpkin Patch Produces Fall Fun

The crisp Autumn air brings with it the rich colors of fall, sweet treats, and fun traditions. The pumpkin patch at Spencer Farm has been a favorite stop in Hamilton County for many years. We have planted approximately two acres of Jack-O-Lantern pumpkins and this years crop is plentiful! When you arrive (as pictured to the right) you will see all sorts and sizes of great pumpkins. You can choose from already harvested pumpkins or take a walk out to the pumpkin

patch. On the weekends (Saturday and Sunday) your family can enjoy a **free hayride** to and from the pumpkin patch. We sell our Jack-O-Lantern pumpkins for 39 cents a pound, Pie Pumpkins are \$2.50 each and mini pumpkins are 75 cents (or two for \$1.25). Decorating for Fall is easy at the farm; in addition to the bright and bold pumpkins we have bales of straw, corn stalks, colorful squash, gourds, mums and Indian corn.

In our fresh market, we have five varieties of APPLES: Jonathan, Honey Crisp, Gala, Yellow Delicious, Courtland and Fuji is coming soon! In our Sweet Shop we combine our homemade caramel and the fresh apples to make incredibly favored fall treat! caramel apples). Look at the other sweets pictured to the left and plan to take home a pie or two!

Fall Schedule

Red Raspberries	Until Frost
Chrysanthemums	Sept & Oct
Pumpkins	October
Christmas Trees & Wreaths	Nov 27- Dec 20

CHRISTMAS at the FARM

Experience a Christmas tradition at the farm. We have again partnered with Mannix Farms to bring you the most beautiful pre-cut Christmas trees directly from Pennsylvania & North Carolina. The Pre-Cut trees, hand-

made wreaths and garland will be available the day after Thanksgiving (Nov. 27). On that day we will be open from 9-6. The varieties of trees include: Frasier Fir, Douglas Fir, Canaan Fir, White Fir, Blue Spruce and White Pine.

Hours: Wednesday-Saturday 10:00 am-6:00 pm, Sundays Noon-5:00 pm
